Summary

BCA graduate with a strong foundation in full-stack development and hands-on experience building responsive, database-driven applications. Proficient in Python, Java, JavaScript, React, HTML, CSS, and SQL, with practical knowledge of CRUD operations, authentication, REST APIs, and version control. Adaptable, quick to learn, and eager to contribute to diverse development teams.

Education

Hindustan institute of technology and science 2022 – 2025

BCA(Bachelor of Computer Application) GPA: 6.7/10

Sannathi Higher Secondary School 2021 – 2022

Experience

Python Full Stack Intern – Lexram AI

- Worked on full-stack web development using Python, Django, React, HTML, CSS, and JavaScript.
 - Built and maintained responsive web applications and APIs.
-

Projects

Task Management / To-Do List Application | *React, JavaScript, HTML, CSS*

- Developed a responsive to-do list application using React with features like adding, updating, deleting, and tracking tasks.
- Implemented component-based UI design and state management to provide a smooth and interactive user experience.

E-commerce Website | *Django, HTML, JavaScript, SQLite*

- Developed a Django-based online store with product catalog, shopping cart, and order tracking features.
- Implemented user authentication and inventory management for a streamlined shopping experience.

Blog Management System | *Python, Django, HTML, CSS, JavaScript, SQL*

- Developed a full-stack blog platform with CRUD functionality for posts and comments.
 - Implemented user authentication, category tagging, and search functionality for enhanced content accessibility.
 - Designed a responsive and interactive front-end using html, css, and JavaScript for improved user experience.
-

Skills

Languages : Python, Java, HTML, CSS, JavaScript, React, Php

Frameworks: Django , Spring Boot

Database: MySQL, SQLite

Version Control: Git, GitHub

Tools: Vs Code, PyCharm, Eclipse, Postman, IntelliJ

Certification

- Python Full stack development
 - Python Masterclass
 - Python 101 for Data Science (PY0101EN, provided by IBM)
-
